

CRAVE ICE-CREAM: UI Interface Documentation

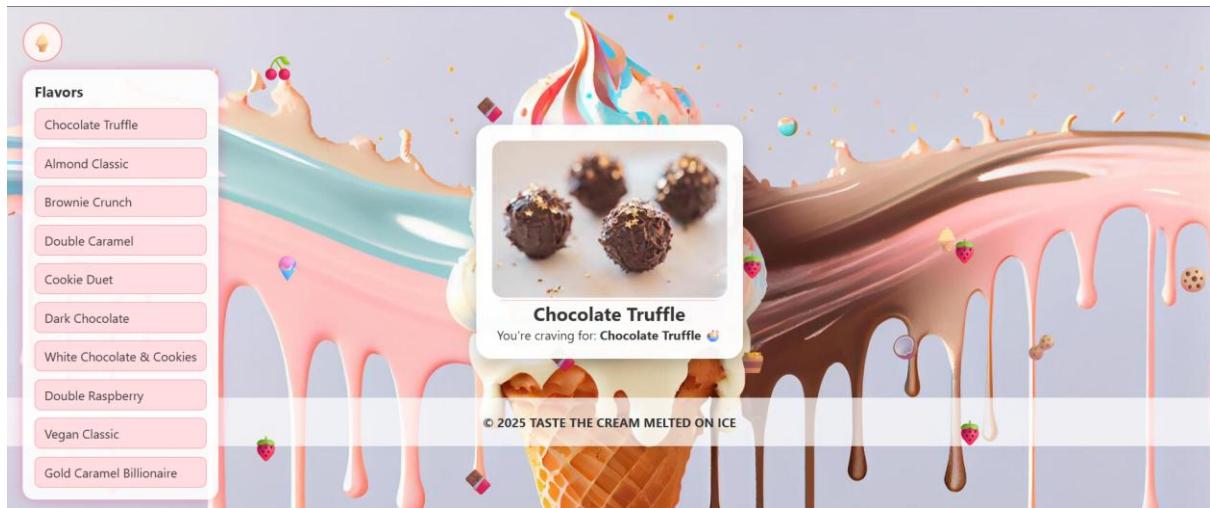

Homepage Overview

- **BACKGROUND:**
 - A full-screen vibrant image of melting ice cream.
 - Sets a colorful, summer-themed tone.
- **FLOATING EMOJIS:**
 - Icons like 🍦, 🍰, 🍨, 🍓 float from top to bottom.
 - Positioned absolutely, layered behind all main elements.
 - Animates infinitely for a playful, dynamic background.

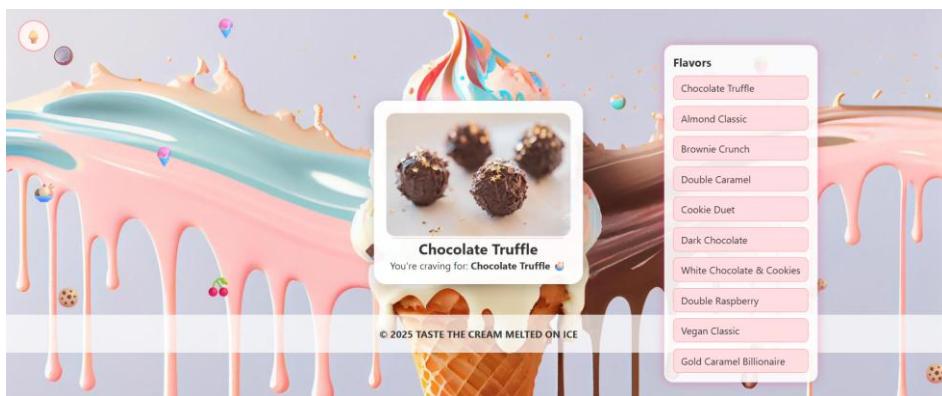

Menu Toggle Button (🍦)

- **LOCATION:** Top-left corner of the screen.
- **APPEARANCE:**
 - Circular button with an ice cream emoji (🍦).
 - Pink border and hover effect.
- **FUNCTION:**
 - Opens or closes the draggable dropdown menu.
 - Highly visible and accessible from any screen position.

DRAGGABLE DROPODOWN MENU (FLAVORS LIST)

- **LOCATION:** Appears near the top-left, dragable anywhere.
- **STRUCTURE:**
 - Semi-transparent white card with a shadow.
 - Title: Flavors
 - Vertical list of buttons — each represents a unique flavor.
- **FLAVOR BUTTONS:**
 - Rectangular, pill-shaped with rounded corners.
 - Light pink background by default.
 - Highlighted pink with white text on hover.
- **FUNCTION:**
 - Clicking any flavor dynamically updates the display area with that flavor's info.

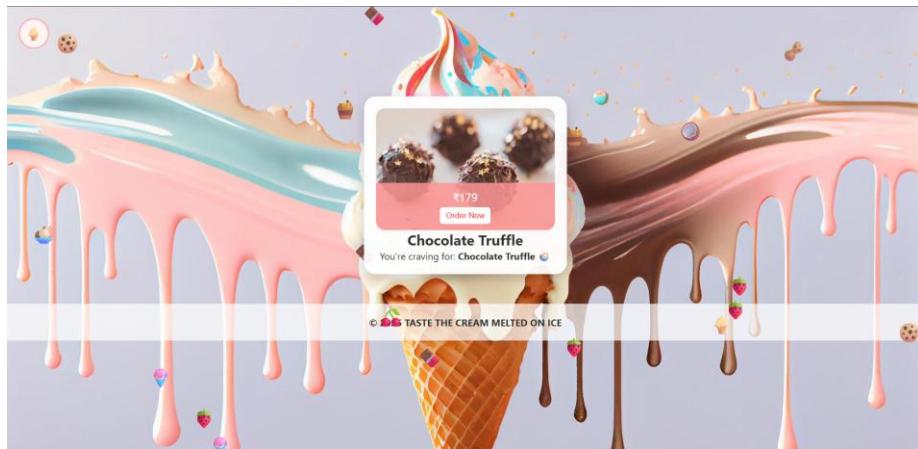

DISPLAY AREA (MAIN SECTION)

- **LOCATION:** Center of the screen, below the floating emojis.
 - **STRUCTURE:**
 - White translucent card with shadow and padding.
 - Displays:
 - **Ice Cream Image** (300px wide)
 - **Overlay with Price + “Order Now” Button** (appears on hover)
 - **Flavor Name**
 - **Descriptive Text** (e.g., “You’re craving for: Chocolate Truffle 🍫”)
 - **ANIMATIONS:**
 - Fade-in effect when new content is injected.
 - Image scales up slightly on hover.
-

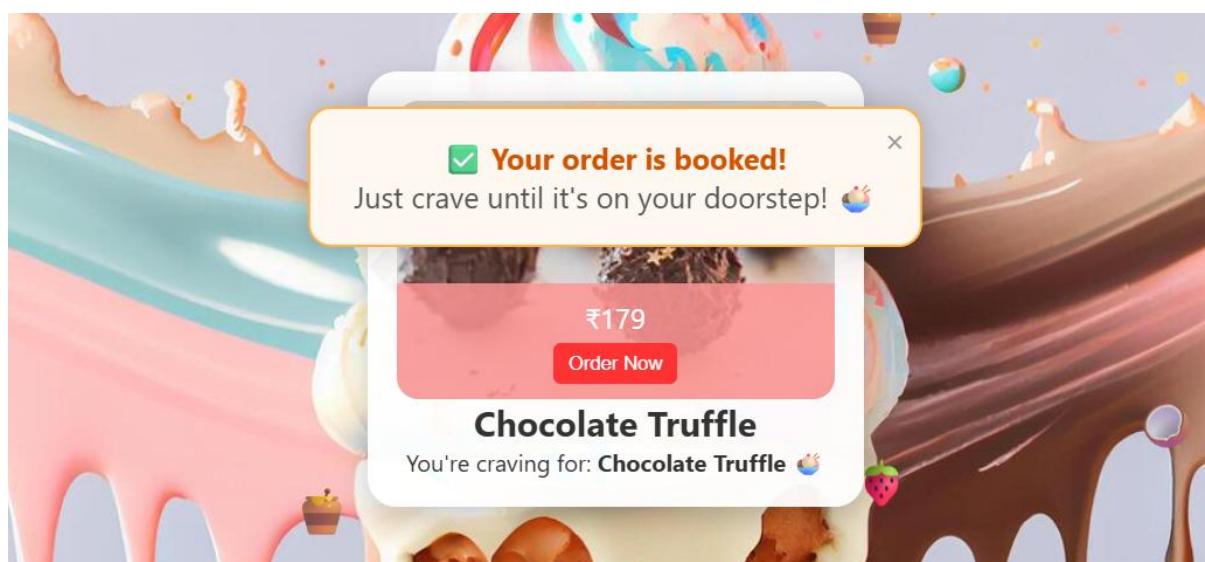

HOVER OVERLAY ON ICE CREAM IMAGE

- **TRIGGER:** User hovers over the image.
- **CONTENTS:**
 - **Price Tag:** Shown in bold.
 - **“Order Now” Button:**
 - White with pink text by default.
 - Turns solid pink with white text on hover.
- **Effect:** Slide-up overlay animation creates a reveal feel.

ORDER CONFIRMATION POPUP

- **TRIGGER:** Clicking “Order Now” button.
- **APPEARANCE:**
 - Center-screen modal with:
 - Title: *Your order is booked!*
 - Subtitle: “Just crave until it’s on your doorstep! 🍦”
 - Close button (x)
 - Light background, soft orange accents.
 - Animates with a pop-in scale effect.
- **AUTO-DISMISAL:** Disappears after 3 seconds unless closed manually.
- **PURPOSE:** Gives users instant feedback for interaction.

FOOTER

- **LOCATION:** Bottom of the page.
- **CONTENTS:** Simple centered text — “© 2025 TASTE THE CREAM MELTED ON ICE”
- **STYLE:** Light background strip with bold text.

RESPONSIVE DESIGN CONSIDERATIONS

- **MOBILE-FRIENDLY:**
 - Elements are flexible and centered.
 - Menu can be dragged to avoid overlaps.
 - Scrollbar customizations maintain accessibility.
 - **HOVER EFFECTS:**
 - Primarily used on desktop — buttons and overlays adjust based on user cursor.
-

USER JOURNEY FLOW

1. User sees a bright, animated homepage with floating ice cream emojis.
2. They click the 🍦 button to open the draggable flavor menu.
3. They select a flavor — card updates with relevant image, name, and price.
4. They hover on the image to reveal price + order button.
5. Clicking “Order Now” shows a confirmation popup.
6. Popup disappears automatically, allowing them to continue browsing.

UI AESTHETICS SUMMARY

ELEMENT	STYLE/BEHAVIOR
Theme	Playful, summery, sweet dessert vibe
Colors	Pinks, whites, soft shadows
Fonts	Friendly, modern (Segoe UI)
Icons & Emojis	Integrated into buttons/background for fun
Animations	Floating, fading, scaling — create lively feel
